Side View

98E1562

A black and white photograph showing the side view of a large, dark, rectangular object, possibly a door or a large box. A vertical metal rod or handle is visible on the right side. A white label with the text '98E1562' is attached to the rod. The object has a smooth, slightly reflective surface. The background is a light, textured surface.

Model No. ME202BB
11.1V
Made in Japan

MOLICEL®
Lithium-Ion Rechargeable Battery
Nippon Moli Energy Corp.

This battery complies with FCC part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received,
including interference that may cause undesired operation.
For home or office use.

CAUTION:
Risk of fire, explosion, or burns. Do not short circuit, crush,
heat above 100°C, incinerate, or disassemble the battery.
Charge only with Lithium-Ion charger supplied with your device.
Dispose of used batteries according to the manufacturer's instructions.
