The image shows the back of a white, dome-shaped Actiontec Kinetic WiFi 6 Extender (Model WEB7200). A red rectangular box highlights a label on the back panel. The label contains the following information: "Kinetic" and "Actiontec" at the top, "WiFi 6 Extender" and "Model: WEB7200" below that. A horizontal line separates the top section from the bottom section. The bottom section contains two columns of information. The left column lists: "Admin Settings: <http://192.168.99.254>", "Admin User Name: admin", "Admin Password: E86FF2F729F0", and a barcode. The right column lists: "Serial Number: GXDA1060300017", a barcode, "MAC Address: E86FF2F729F0", and another barcode. Below the label, the back panel features a power jack, a power button, a USB port, and two yellow Ethernet ports. A ruler is visible on the left side of the device, showing measurements in centimeters and inches.
