Dear Sir/ Madam,

Regarding the application with EA96547, we have sent out two sets of Letter of Agency(letter.pdf), Test report(report.doc) and Technical Description(descri.pdf). Those document with applicant Alford Industries Limited should be the correct ones. Please see below for your differentiation and ignore the wrong ones.

	The Correct one	The wrong one
Applicant	Alford Industries Ltd.	Uni-art Precise Products Ltd.
FCC ID	LPV-SRF990	MVARS950-001T
EA#	EA96547	EA96485

On the other hand, the FCC ID of the application should be LPV-SRF990, instead of LPVSRF990.

Appreciate your help and sorry for confusion.

Best Regards,

Prudence S. M. Poon

Compliance Engineer
