

A close-up photograph of an orange electronic device, possibly a portable power supply or a small appliance. A white rectangular label is affixed to the front panel. Above the label, there is a small, dark, rectangular port or slot. The label contains text regarding FCC compliance. The device is resting on a light-colored surface.

FCC ID:LU9267843

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

(1) this device may not cause harmful interference,
and (2) this device must accept any interference received,
including interference that may cause undesired operation.
