

Drawing of the identification label pursuant to 2.925(a)

Attestment statement for the above equipment.

This equipment has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these test were performed using measurement procedures consistent with industry or Commission standards and demonstrate that the equipment complies with the appropriate standards. Each unit manufactured, imported, or marketed, as defined in the Commission's regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis. I further certify that the necessary measurements were made by DB Elettronica SPA – via Lisbona, 38 – Zone Industrial Sud- 35127 PADOVA, Italy.
