

3051T (available in SST (shown) and aluminum)

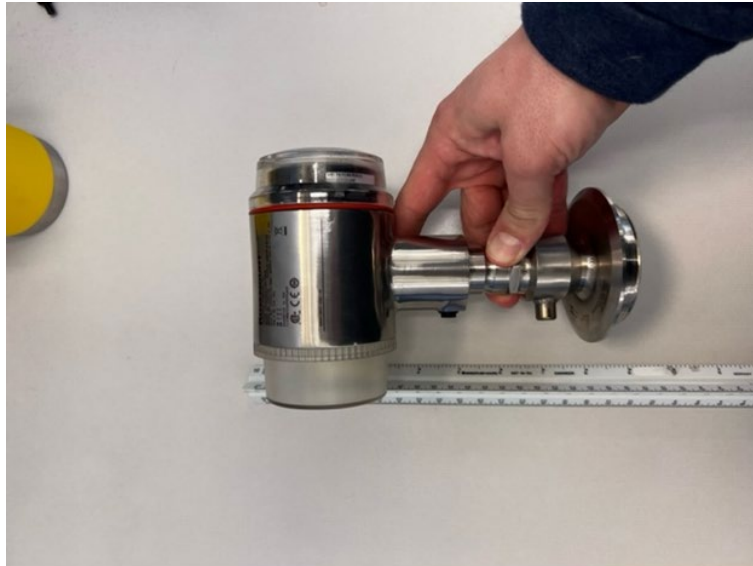

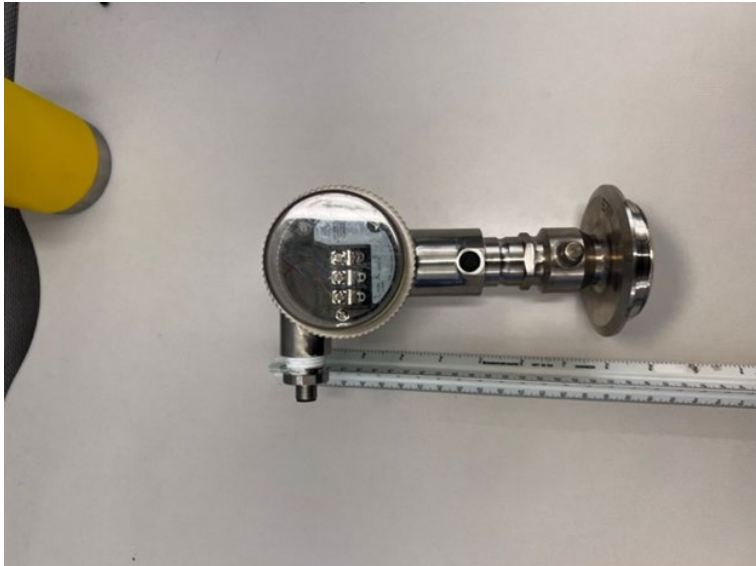

3051C (available in SST and aluminum (shown))

Back lid removed to show terminal block

3051HT

3051CF

- 3051CF transmitter is identical to 3051C but has sensor adaptors for flow reading via pressure drop.

3051L

- 3051L transmitter is identical to 3051C but has sensor adaptors for level reading via pressure differential
