FCC Identification (Nameplate) Information

FCC ID: LW2753S

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The FCC information shown will appear on the label shown. The image above is representative of the label that will appear on the device when in production. It will be attached to the top of the housing using screws or rivets. The label material is stainless steel. The information is laser marked on the label. Other information may also be included on this label.
