Subject: Class 2 Permissive Change (C2PC) Request FCC ID: LYHRAPACV1

To whom it may concern,

In accordance with KDB 178919 D01 and FCC rule part §2 1043: Changes in Certified Equipment, Siemens Aktiengesellschaft hereby requests a class 2 permissive change to FCC ID: LYHRAPACV1 as detailed below:

UNII 2A and 2C operating bands have been added using module software version V03.00. The previously certified DTS and UNII 1 and UNII 3 bands remain active, and their performance has not been altered with the re-issued software. The module can operate as a master or client device in the UNII 2A and 2C operating bands.

As a result of these changes, the following test cases have been tested to verify compliance of the modified LYHRAPACV1: 15.207, 15.403(i), 15.407, 15.407(h)(2).

Sincerely yours,

For Siemens Aktiengesellschaft
