Mr. Madlangbayan,

In order for processing of this application (FCC ID: M4D-902) to continue, the following issue will have to be addressed:

- 1) Please indicate the type of modulation utilized for this device.
- 2) Please indicate compliance with the voltage variation requirements contained in Section 15.31(e) of the FCC rules.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website.

Your correspondence number is M4D-902-1.

If you have any questions, feel free to contact me.

Best regards,
