Change In ID Authorization Letter

Date: 2014-10-08

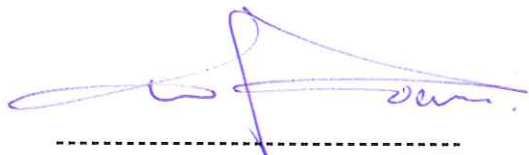

Re: Change of Identification Authorization, Original FCC ID: A4R-G1

To Whom It May Concern:

This letter grants authorization for representatives of CHENG UEI PRECISION INDUSTRY CO., LTD. to apply to FCC for a change in identification as specified pursuant to Section 2.933 of the FCC's rules. This authorization applies to Google Inc., G1, FCC ID: **A4R-G1**, granted on June 26, 2014.

We are aware that CHENG UEI PRECISION INDUSTRY CO., LTD. intends to market the above-referenced product under their own FCC ID: M6E-FABE340. The product to bear the modified identification is identical in design and construction to the originally-approved model. The original test results for the product continue to be representative of and applicable to the product bearing the changed identification.

Sincerely yours,
