Authorization and Evaluation Division

Confidentiality Request regarding application for certification of FCC ID: M7U5001L

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

- Schematic diagrams (main boards and transceiver board)
- Block diagrams (main boards and transceiver board)
- Theory of operation (smoke / CO detection and RF portions)
- All parts lists

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.
