

Class II Permissive Change Letter

Date: July 16, 2024

This is to request a Class II permissive change for FCC ID: **M82-AIM68S**, originally granted on 04/18/2024.

The major changes filed under this application is:

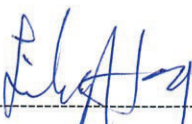

Change #1: Add a model name: AIM-68H, the main difference beteewn this model and original model is as below table shows:

Model:	AIM-68H	AIM-68S
Adapter:	FSP065M-DUA	ADP-65SD B
NFC antenna placement:	32*10mm loop antenna placed on the LCD monitor	35*35mm loop antenna placed on the top of shielding cover
NFC Antenna part no.:	SM-MSN31-C04	SM-MSN31-C03
Color:	White/Blue	Black/Grey

Except for the above differences, the hardware design is identical with the original grant.

Should you have any enquires or comments, please have my best attention.

Sincerely,

Lily Huang/ Manager
