A photograph of the back of a black electronic device, identified as the ADVANTECH DLT-V7210. The device is rectangular with a red cap on top. It features a central ventilation grille and two small labels on the left and right sides, which are highlighted with red boxes. A ruler is placed vertically on the left side of the device, showing measurements in inches (up to 16 inches) and centimeters (up to 400 cm). The device is resting on a blue surface.
