Confidentiality Request Contained Within

Motorola Inc, Worldwide Smartcard Solutions Division hereby submits the Schematic and Users Manual for our Model OMR-705+ Unpotted OEM Module.

This OEM module is being provided to RF Ideas Inc to be integrated into their product identified by FCC ID M9MBUPCPROXM100.

This module utilized the same printed circuit board, coil, microprocessor and operating frequency as listed under Motorola Indala Corporation's FCC ID E9UASR-505 with the exceptions that the module is provided as an un-potted module as described in the users manual submitted with this letter. The part number is changed to reflect the differing manufacturing flow used to produce the un-potted OEM module. Motorola Indala Corporation is a wholly owned subsidiary of Motorola Inc., located at 3041 Orchard Parkway San Jose CA, 95134-2017 and is the manufacturer of this module.

Motorola hereby requests confidentiality prior to and after grant pursuant to 47CFR0.457(d)(l)(ii) and 47CFR0.459 for the schematic, users manual, and photographs of internal construction of the OMR-705+ module, coil and assembly. These items contain construction details relating to circuit function, and trade secrets that could be used by our competitors that is not customarily released to the public and , otherwise is not generally available to the public.

The two files that are submitted with this letter are:

Schematic 64378_1.pdf
User Manual K01986_T1.pdf
