Dear Sir or Madam:

We, RF IDEas, Inc. hereby declare that products: pcProx, models: RDR-80LH1AKU, RDR-80LH2AKU, and RDR-80LH3AKU are electrically identical with the same electromagnetic emissions and electromagnetic compatibility characteristics. The Model RDR-80LH1AKU was fully tested and the results of which are featured in Radiometrics' project: RP 8823B.

The only differences between all three readers is the installed firmware. The printed circuit boards and electrical components are the same on all three units.

Please contact me should there be need for any additional clarification or information.

Best Regards,

A handwritten signature in black ink that reads 'Joseph Strzelecki'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Joseph Strzelecki
