A black and white photograph of an electronic circuit board, likely a power supply or control unit. The board is populated with various components including capacitors, resistors, and integrated circuits. A large transformer is visible on the left side. A white rectangular label is placed over the center-right portion of the board. The label contains the text 'FCC ID: M90GDC2606' and 'MODEL: GD2606'. The background is a dark, textured surface.
