Mainboard with battery

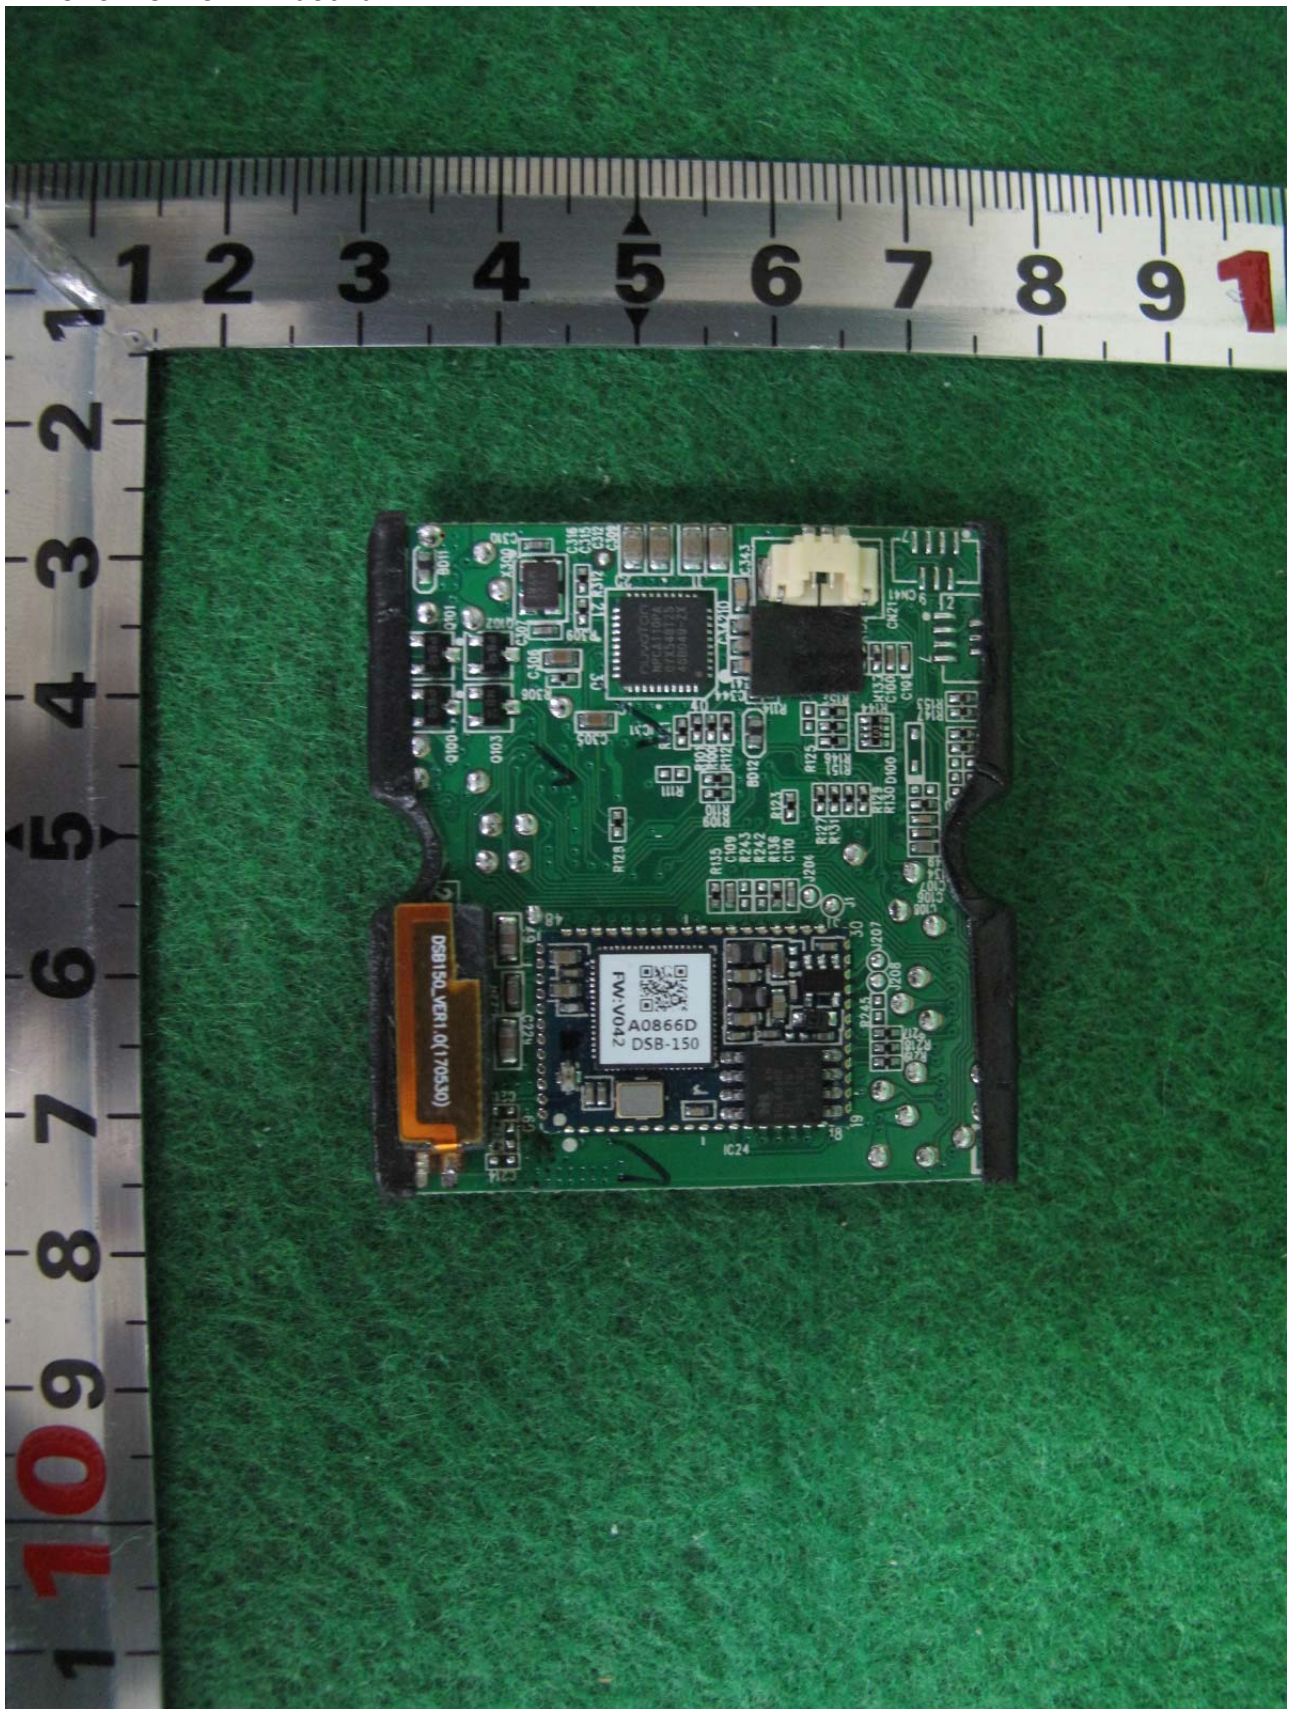

The image shows a green printed circuit board (PCB) with various electronic components. The board is marked with "E303478 2211", "94V-0 ML-K01", and "CUP12944Z-1". It features several capacitors, including electrolytic capacitors (e.g., 100µF, 10µF) and ceramic capacitors (e.g., 10V, 16V, 220). There are also integrated circuits (ICs) and resistors. The board is placed next to a ruler for scale.
