

AMPLIFIER PLOTS FFPA8689-35

With reference to MPD Technologies' application dated 4/14/98 and received by FCC 4/17/98 for Non-Broadcast Transmitter, FCC ID MCDFFPA8689-35 and Form 731 Confirmation Number EA89075, we are submitting the additional information that was requested to process our application: modulated bandwidth comparison plots and IM plots for each type of modulation to be used with the unit. The attachment consists of the following:

Figure	Description
1	Wideband input
2	Wideband output
3	TDMA input
4	TDMA output
5	CDMA input
6	CDMA output

In all cases the requirements according to Sections 2.989 & 22.917 and 2.985 & 22.904 were met or exceeded by the amplifier.
