Re: Request for Confidentiality

Applicant: RadioLAN Inc.
FCC ID: MCI140

To whom it may concern,

On behalf of my client, RadioLAN Inc., I request that certain parts of the certification application for the referenced device be kept confidential and be withheld from public review. This request is made under the provisions of 0.459 et seq of the Rules.

The portions of this application for which confidentiality are requested:

- Circuit block diagrams
- Theory of operation
- Circuit schematics

Rationale for request for confidentiality:

RadioLAN has invested time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

T.N. Cokenias
Agent for RadioLAN
