Subject: Request for withholding from public disclosure the schematic diagrams, block diagrams, and operational description pursuant to an application for certification for the following universal remote control:

Product name: **Comcast XR15 Remote 2015**
Model number: **URC-4352BC0-X-R**
FCC ID: **MG3-4352**

Gentlemen:

We, **Universal Electronics, Inc.**, would like to request that all schematics, block diagrams, and operational descriptions submitted with our application for certification be withheld from public disclosure per Section 0.459 of the FCC rules.

This request is made under the provisions of Section 0.457 (d) of the Commissions rules, and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any further questions or need additional information, please contact the undersigned at **(714) 918-9500 ext 9701**

Regards,

Gentlemen:

Pursuant to FCC 47 CFR 0.457(d) and 0.459, the applicant requests that a part of the subject FCC application be held confidential on a short term basis:

FCC ID: MG3-4352

Internal Photos, External Photos, Test Setup Photos, and User's Manual

We, **Universal Electronics Inc.**, have spent substantial effort in developing this product and it is one of the first of its kind in the industry. Having the subject information easily available to "competition" would negate the advantage we have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Universal Electronics Inc., requests the exhibits selected above as short term confidential be withheld from public view until **January 31, 2017** and prior to marketing. This is to avoid premature release of sensitive information prior to marketing or release of the product to the public. **Universal Electronics Inc.**, is also aware that they are responsible to notify CETCB in the event information regarding the product or the product is made available to the public CETCB will then release the documents listed above for public disclosure pursuant to FCC Public Notice DA 04-1705.

If you have any questions, please do not hesitate to contact us at 714 918-9701.

Sincerely,

Jesse Mendez
Staff Engineer, Electrical

Note: Normally schematics, detailed block diagrams, and detailed theories of operation are the only information held confidential. **Internal photographs are only held confidential in certain circumstances where the access to the information isn't available to the end user.** Test reports, cover letters, external photos, ID labels, setup photos, attestation statements, and RF exposure reports will not be held confidential.
