Federal Communications Commission

726920 D01 Request of Confidentiality

Request for Confidentiality

Pursuant to Sections 0.457 (d)(1)(ii) and 0.459 of the Commission's Rules, Data Sciences International, an affiliate of Harvard Bioscience, Inc. hereby requests Long-Term Confidentiality treatment of information accompanying this application as outlined below:

FCC ID: MHASOHOIFA

Internal Photos – These photos are of electronic assemblies and Antenna structures that are sealed such that it would be difficult for someone to reverse-engineer the circuit without breaking the seal. Also, to expose the internal electronic assembly, watertight implantable housing must be destroyed. Since the public never has access to the views of the electronic assembly shown in these photos nor are they serviceable, we feel it is reasonable that the Internal Photos be held confidential.

Schematics

Bill of Materials/Parts List

Block Diagrams

Theory of Operation

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters would be harmful to Data Sciences International, an affiliate of Harvard Bioscience, Inc.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying materials will not be made before the date of the Grant for this Application.

Yours sincerely,

Matt Kunz

Sr. Principal Electrical Engineer
