Re: Application for Class II Permissive Change - MIJMILCPE-USA-01

Gentlemen:

Motorola, Inc., Systems Solutions Group, 8201 E. McDowell Rd, Scottsdale, Arizona 85252 herein submits: Remittance Advice (FCC Form 159 - per US Mail with Fee Codes EAC, \$45.00 VISA), Application for Equipment Authorization (FCC Form 731 - Electronic Filing), and Test Report Exhibit (Electronic Filing) for Class II Permissive Change under FCC Rule Part 101, FCC ID: MIJMILCPE-USA-01.

The permissive change includes new modulation schemes and an expanded frequency of operation. No hardware modifications were required. Occupied bandwidth data, emission mask data and spurious emission data are provided in a revised submittal of the test report.

Please contact me by telephone at (480) 675-2104, by facsimile at (480) 441-3625, or by email at jim.dykema@motorola.com if there are any further questions or additional information needed regarding the filing.

Sincerely,

A handwritten signature in cursive script, reading "Jim Dykema".
