TR3-L4D01-24 (FCC ID: MK4TR3-L4D01-24) is RFID Reader / Writer to qualified partners and integrators who are in charge of professionally install them.

It is our opinion that this new product meets the requirements in the following aspects.

a) Marketing

The products are never sold at retail or to the general public or by mail order.
We sell our products only to licensed users.

b) Requires professional installation

Section 3 of the user manual states that the products must be installed by professional service trained personnel only.

The following statement has being included in the user manual, setting and connection (at page 8):

This RFID Reader/Writer product is to be professionally installed by authorized, qualified and service-trained installation personnel only.

c) Application

The products are intended for the use by RFID control system (ex. process control for industry).
On installation the antennas and RFID Reader/Writer are embedded by only professional people can have access.
The general public doesn't have any knowledge about the installation of the devices and therefore don't have general access.
