Inquiry on 08/18/2021 :

Inquiry:

Hello,

Please find the attached product photo for the light.

The 15.19 warning statement is impracticable to put on the texture of the product. We will put it on the user manual.

Please approve.

Best regards,
June Chen

§15.19 Labeling requirements.

(3) All other devices shall bear the following statement in a conspicuous location on the device:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

(5) When the device is so small or for such use that it is impracticable to label it with the statement specified under paragraph (a) of this section in a font that is four-point or larger, and the device does not have a display that can show electronic labeling, then the information required by this paragraph shall be placed in the user manual and must also either be placed on the device packaging or on a removable label attached to the device.
