To Whom It May Concern:

We request under 47CFR0.459 that materials submitted to the Telecommunications Certification Body be withheld from public inspection.

Specifically, Safety1st Inc. requests that the following materials be withheld from public inspection under 47CFR0.459 because they are considered confidential trade secrets and technical data which customarily would be guarded from competitors.

(1) Detailed circuit Schematics of EUT are found in the electronic attachments.

Therefore, in accordance with 47CFR0.459 we request that the above listed materials, copies of which are attached here, be withheld from public inspection.
