Instruction Manual for Card Key MDL B21TG (FCC ID:MOZB21TG)

Dear Sirs:

Our product, Card Key MDL B21TG (FCC ID:MOZB21TG), is a transmitter used in Keyless Entry System and Panic System of a motor vehicle. The Card Key is provided for a vehicle manufacturer as original equipment (OE), and it will be fitted to a motor vehicle before it is placed in the US market. For this reason, we, Tokai Rika Co., Ltd., do not issue any users manual for this product.

Yours faithfully,

TOKAI RIKA CO., LTD.

Reiko Kagimoto,
General Manager,
Overseas Homologation & Legal Dept.,
Technical Administration Div.

For vehicles sold in U.S.A.:

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received,
including interference that may cause undesired
operation.

CAUTION

Changes or modifications not expressly approved by the party
responsible for compliance could void the user's authority to
operate the equipment.

For vehicles sold in Canada:

This device complies with RSS-210 of Industry Canada.
Operation is subject to the following two conditions:
(1) this device may not cause interference, and
(2) this device must accept any interference, including
interference that may cause undesired operation of the
device
