

Label Drawing

SCALE: FREE

NOTE: The layout of approval number(s) etc. may be changed.

The cover can be easily opened by users.

The label will be either internal or external.

The FCC ID Certification number is affixed inside the equipment. You can find the ID/number when replacing the battery.

The product label is permanently affixed and designed to remain legible for the full lifetime of the product.

It will not peel off, fade, or deteriorate under normal operating conditions, ensuring continuous compliance with FCC labeling requirements.
