Application for a Class II Permissive Change / Type Acceptance of New Equipment Variants under an Existing Certificate

--- Form 731 Confirmation Number: **EA711778**
--- FCC ID: **MRBSATEL-3AS-VHF**

Dear Sir,

We are hereby applying for a Class II permissive change for a new version of SATELLINE-3AS VHF radio data modem. The new version SATELLINE-3AS VHF C differs from the earlier type accepted version by increased max. Tx power and by an attached cooling element.

I hope that we have sent you all the necessary information for proceeding with the application. In case of any questions do not hesitate to contact me to my direct number +358-2-7777 891 or to my email box tapio.malmivaara@satel.fi

Yours Sincerely,
SATEL Oy

Tapio Malmivaara
Type Approval Engineer
