➤ EUT Photograph

(1) EUT Photo (Model: RT-AC68U, RT-AC68R, Adapter: EXA1206UH)

(2) EUT Photo

The image shows the back of a black ASUS AC adapter. The top section contains the ASUS logo and the text 'AC ADAPTER 電源供應器'. Below this, the input and output specifications are listed: 'INPUT 輸入: AC100-240V~, 50-60Hz, 1.0A' and 'OUTPUT 輸出: 19Vdc, 1.75A'. The model number 'EXA1206UH' and 'L.P.S.' are also present. The text 'MADE IN CHINA EXH' and 'Enertronix, Inc.' are visible. Safety symbols for a square wave, a house, and a circle with a checkmark are shown. The bottom section features a large white box containing 'TUV RT', a 'PSE' diamond symbol, and 'ASUS JAPAN株式会社'. Below this box, the input 'AC100-240V 50-60Hz' and output 'DC19V 1.75A' are specified. To the right of the box are the 'R32379' marking, the 'FC' (FCC) logo, and the 'UL' (Underwriters Laboratories) logo. The bottom right corner includes the text 'LISTED E305895 I.T.E. POWER SUPPLY', 'C.C.I.A', 'REV:02', and the number '13132'.

A black ASUS WL-520G Wireless-G NEDAP Repeater is shown next to its accessories. The device has a textured front panel with a series of status LEDs at the bottom. The ASUS logo and model number are visible on the top right. The accessories include three external antennas, a power adapter with a two-prong US plug, and two coiled cables: one is a standard Ethernet cable with RJ45 connectors, and the other is a longer cable with a different connector type.
