Change

#1: Additional Chassis added, ASUSTeK, model number: S532F, K532F, V532F.

All models are listed as below:

| Brand | Model | Difference                                                                              |
|-------|-------|-----------------------------------------------------------------------------------------|
| ASUS  | S532F | All models are electrically identical, different model names are for marketing purpose. |
|       | K532F |                                                                                         |
|       | V532F |                                                                                         |

#2: Reduce the Output Power through firmware, and SAR measurement were evaluated.  
(Only reduce Wi-Fi Output Power, Bluetooth Output Power haven't changes).

#3: Addition two antennas, the antenna type is same, the antenna gain is lower than the original application.

Sincerely,
