

ASUSTeK Computer Inc

Declaration

To whom it may concern:

This device, with FCC ID: **MSQAI2501**, Hearing Aid Compatibility Requirement is going to be certified under ANSI C63.19 2011 version per Part 20.19.

As this handset does not have a wideband codec, the volume control evaluation is hence the passing requirement for the wideband codec test is waived according to the provision 30 section III in the DA 23-914A1.

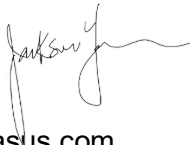

The passing results for the distortion/noise and frequency response tests is reported in the HAC Volume control test report.

Sincerely,

(Signature)

Jackson Yen
