1) User manual mentions Bluetooth - please explain certification status for this:

a) Please submit Bluetooth FCC ID label and placement on device if Bluetooth has separate modular approval, or

b) Line item and test data showing compliance of Bluetooth to all DTS reqmts, or

c) Additional separate application for DSS

The Bluetooth portion is optional as given in a) above and has been Certified already under FCC ID: MSQBT183. This label will be placed onto the EUT in a separate location. See the following:

The FCC ID and DoC Label will be placed on the equipment as shown in the photograph below.

Contains TX FCC ID: MSQBT183

You will notice that the label location for this label is in a different location than the original.

FCC ID AND DoC Label
