SUBJECT: Application for Class II Permissive Change for FCC ID: MSQZ01QD

Dear Examiner,

This is to request a Class II Permissive Change for FCC ID: MSQZ01QD, Model: ASUS_Z01QD (approval date: 12/28/2018)

The change filed under this application is:

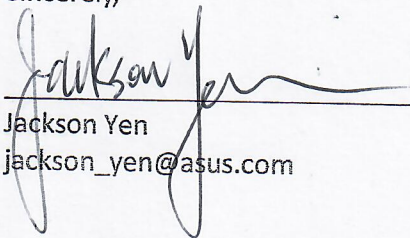

1. Enable software upgrade to devices deployed in the field for 60GHz which was certified by C2PC on 12/28/2018.

Devices already deployed will be software upgradable via Android FOTA fully controlled by ASUSTeK Computer Inc. ASUSTeK Computer Inc will announce on ASUS US website in regards of the Android FOTA updates and software version, then the end users will obtain an upgrade option (YES/No to start software upgrade) in the software upgrade menu of their ASUS phones. After the end users accept the software upgrade, the Android FOTA upgrade will proceed automatically.

The Android FOTA system is a closed system. There is no way that the end users or 3rd parties to modify the software to be used in the Android FOTA. Only the exact software version announced by ASUSTeK Computer Inc can be used. ASUSTeK Computer Inc continue to be the responsible party to ensure compliance.

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Jackson Yen
