

2/5/2026

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

To whom it may concern:

This letter is to inform you that we, Venstar LLC., hereby authorize the use of information on file for the below listed certification(s) for the purpose of a Change in FCC ID certification application (2.933) for the company, Venstar LLC.

The following certifications are authorized to be filed under the new owner:

Original Certification(s)	Date of Certification
FCC ID: MUH-SEN10	4/15/2022

We certify that the original product has not been changed or modified in any way. The specifications on file for the herein identified certification(s) remain unchanged and continue to represent compliance for the product(s).

Sincerely,

Corey McTigue
Engineering Manager
Venstar LLC.
