Request for Confidentiality and Submission of Additional Exhibits

Dear Sir/Madam:

Spike Technologies, Inc. ("Spike"), hereby requests confidential treatment of portions of the above-referenced application for equipment authorization pursuant to Section 0.459 of the Commission's Rules. Specifically, it is hereby requested that Exhibits F, G, H, J and M of the instant application be withheld from public inspection.

These Exhibits contain information of unique value to Spike, including technical data and other information which would customarily be carefully guarded from its competitors.

In addition, submitted herewith are updated versions of Exhibits J and K to be associated with Spike's application. These now include all the necessary information in softcopy format.

Please contact undersigned if there are any questions pertaining to this submission.

Very truly yours,

David Clark
