Subject: Confidentiality Request
FCC ID: MZKBTS4000-1900
Products: BTS4000

It is requested that the following items associated with this submission be held confidence in accordance with FCC Rule Section 0.459:

- a) Schematics
- b) Block diagram (or Technical Description)
- c) Parts List

The reasons for withholding the above materials from inspection are trade secrets and substantial competitive harm. The above exhibits contain designs and information proprietary to AirNet Communications Corporation. This information is available only for internal company use, and is not available publicly. Public release of this information would allow competitors to copy key elements of AirNet's design, and also provide them with engineering specifications that have been based on AirNet's many years of experience. We feel that this material should be held confidential in perpetuity, because the trade secrets that are based on AirNet's years of experience will always be applicable to the design of a similar product.

Sincerely,

Thomas R. Schmutz
Vice President Engineering
