RE: Professional Installation for Silvus Technologies Models SC4210E

To Whom It May Concern:

This product is designed for outdoor point to multipoint wireless. It is available through special distribution channels worldwide serving systems integrators in military, homeland security and commercial air to ground video markets. A professional installer with experience in extended Ethernet and RF cable deployment, tower/vehicle mounting, and Silvus SC4210E system knowledge will be required to properly enable the equipment.

If you have any questions, please do not hesitate to contact us at 1-310-479-3333.

Sincerely,

Kathleen Smidt Cook
Vice President of Operations
