

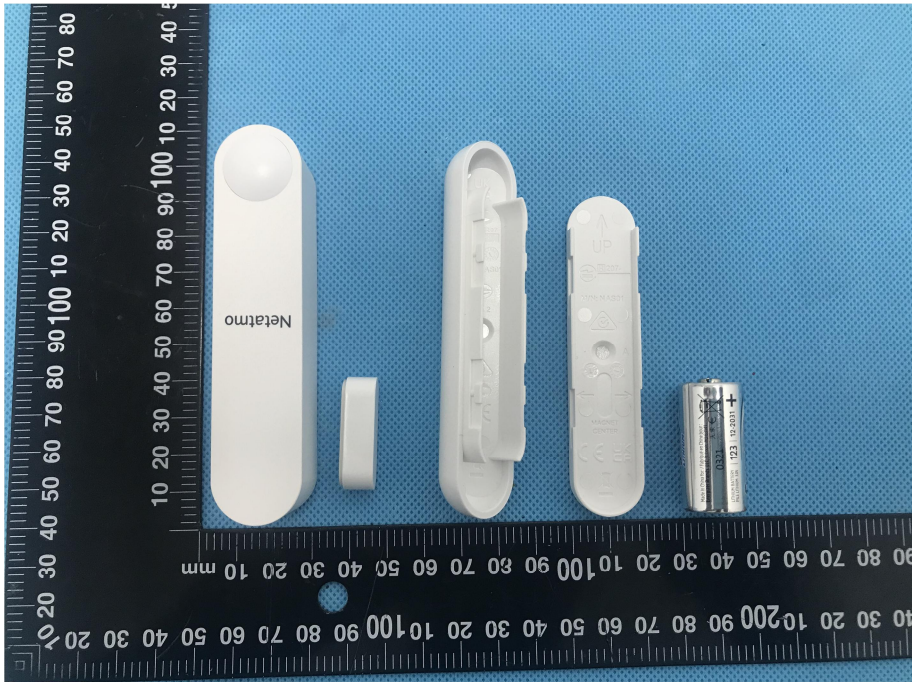

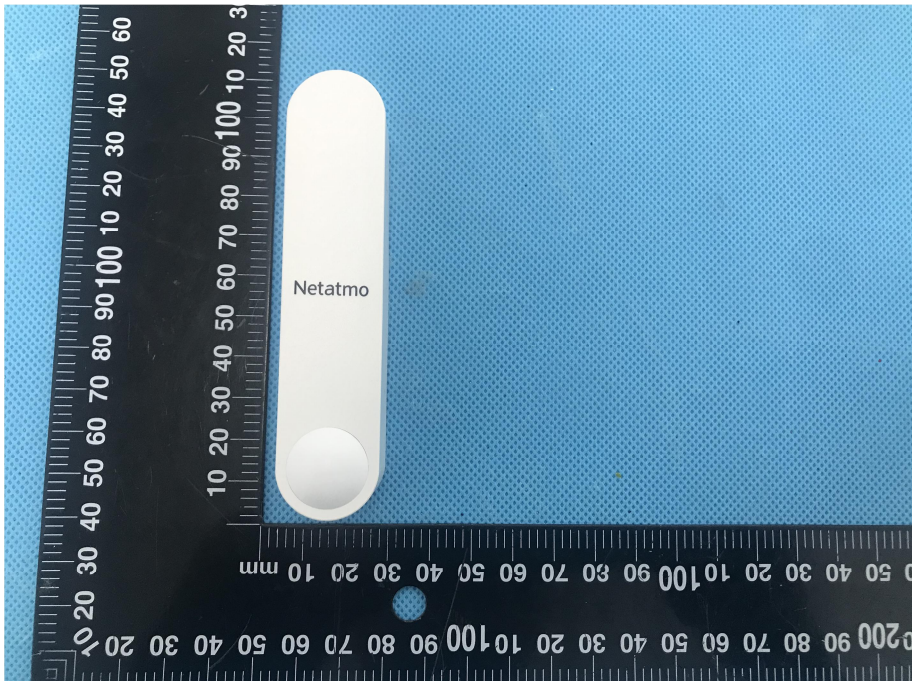

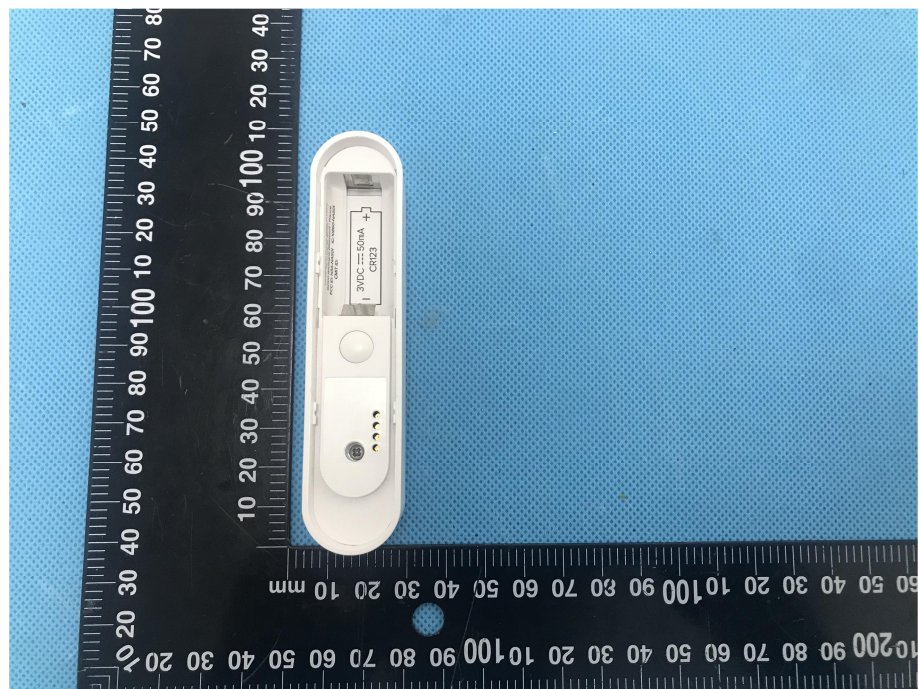

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the external components of the EUT (Netatmo device, battery, and casing) laid out on a blue textured surface next to a black ruler. The ruler has white markings in centimeters and millimeters. The Netatmo device is a white, elongated, oval-shaped object with a small circular sensor at one end. The battery is a small, cylindrical, silver-colored object. The casing is a white, elongated, oval-shaped object with a small circular sensor at one end. The Netatmo device is positioned vertically, with the ruler placed horizontally next to it. The battery is positioned horizontally, with the ruler placed vertically next to it. The casing is positioned vertically, with the ruler placed horizontally next to it.
EUT View 2	 A close-up photograph of the Netatmo device, a white, elongated, oval-shaped object with a small circular sensor at one end. The device is positioned vertically next to a black ruler with white markings in centimeters and millimeters. The ruler is placed horizontally, with the device positioned vertically next to it. The background is a blue textured surface.
