RE: FCC ID: N3ESPYTRACKR70044

Attention: Juan Martinez

I have a few comments on this Application.

- 1 Please note that section 15.19(a)(5) can only be used when the device is "so small or for such use that it is not practicable to place the statement specified under paragraph (a) of this section on it". The device appears large enough to contain the statement of 15.19. There also does not appear to be any 'practical' reason why the two condition statement cannot be on the device. Please provide justification for not placing the two condition statement on the device or please provide a corrected label containing this statement.
- 2 The report file is corrupt and cannot be opened by Adobe Reader. Please provide a report that can be opened.
