

WARNING: BODY-WORN OPERATION - This device was tested for typical body-worn operations using the optional leather case to provide a separation distance of 0.6 inches/1.5 cm from the body. To comply with FCC RF exposure requirements, a minimum separation distance of 0.6 inches/1.5 cm must be maintained between the user's body and the optional leather case, including the antenna, whether extended or retracted. Third-party leather case, belt-clips, holsters, and similar accessories used by this device should not contain any metallic components. Body-worn accessories that do not meet these requirements may not comply with FCC RF exposure limits and should be avoided.

Important: Read "Safety" on page xvii prior to using your NeoPoint 2000.
