Gentlemen:

Gilbarco Inc respectfully requests confidentiality of certain materials provided with the submission of the LFSQR under FCC ID:N6SLFSQR in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the Schematic diagrams, System Block diagram and System functional/operation description contained in this filing and included in the following files.

(13-0072 – Schematics.pdf, 13-0072 – System Block Diagram.pdf, and 13-0072 – Theory of Operation.pdf)

The LFSQR has been developed at considerable effort and expense by Gilbarco Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to be "B Sykes", written over a horizontal line.
