Re: Sierra Wireless
FCC ID: N7N-MC5720
Request for Short Term Confidentiality

To whom it may concern,

Sierra Wireless requests that the following files related to the above referenced certification application are temporarily withheld from public disclosure.

ALL test setup photos
ALL external product photos
ALL user manuals
All Internal product photos
Host device information and labeling
RF Exposure in collocation

Sierra Wireless anticipates offering the product to the public in the near future and will notify the FCC when the product is available to the public so the Commissions may place appropriate application files on its web site for public dissemination.

If there are any questions of concerns, please do not hesitate to contact me at the email address below.

Sincerely
