Re: Sierra Wireless, Request for Confidentiality
FCC ID: N7NMC7750

To whom it may concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

- Tune Up and Alignment Procedure

Above mentioned documents contain detailed system/ equipment descriptions and related information about the product in which Sierra Wireless considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential for 180 days. We are requesting the commission to grant short-term confidentiality request on the following attachments:

- Operating Instructions (Users Manual)
- Test Setup Photographs

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as

confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Van Cleave". The signature is fluid and cursive, written in a professional style.
