Columbia MD 2104

SUBJECT: Class II Permissive Change for FCC ID: N7NRC76B, approval date: 04/28/2026

Dear Examiner,

This is to request a Class II Permissive Change application for above referenced device.

The change filed under this application are:

1. The hardware and software changes in this application involve pin-to-pin compatible updates to the duplexer, RF PA, SP8T switch, coupler, and SAW filter.
2. Adding new model names: RC7611D, RC7611D-1.

Except for the items listed above, all other parts remain unchanged from the original

Sincerely,

Denis Chabot
