Subject: Re : TCB Review Comments for (B06-0511a- N89-WM610P,950503L22- CyberTAN 11g MPCl Module)

Dear Steve,

Thank you for your comments on this application!

The following items are our replies for your comments:

q1: Document revised.

q2: It's a change in ID application for marketing purpose. It only changed the applicant, product name, model.

Thanks!

Best Regards,

Question #1: Operation description stated antenna without connector, however there is a connector at the end of antenna extension cable.

Question #2: Test report was done on 2004, please explain why and if test data is still valid.

Best regards,

Steve Cheng
