The image shows a custom electronic circuit board, possibly a radio receiver or transmitter, mounted on a light blue surface. The board is populated with various components including two large electrolytic capacitors, several integrated circuits, resistors, and a USB connector. Text on the board includes "20170914 V7", "Firmware: 200-12240000-000-9", and a logo. The board is oriented horizontally with the USB connector on the left and the capacitors on the right.
