

USER'S MANUAL

The following material will be contained in the vehicles owner's manual:

(PRELIMINARY)

This device complies with Part 15 of the FCC Rules and with RS-210 of Industry Canada.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressively approved by the party responsible for compliance could void the user's authority to operate the equipment.
