RE: FCC ID: Nhwwdu61

Attention: Mr.Makoto Kosaka / Ms.Yukie Koyama

I have a few comments on this Application.

- 1 The operational description Word document is all 'jumbled up'. Text and pictures overlapped etc. Please correct.
- 2 The following documents contain non-English fonts and cannot be read by the FCC server:
Test report. Please provide documents that do not contain non-English fonts.
- 3 In your summary of results you specified 15.231 radiated. Please note that the frequency of operation of this device does not fall under 15.231. Please remove reference to this section in the report.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
