Dear Dennis,

Thank you very much for your contact on the above application. I make a reply as follow.

1. We uploaded the revised operational description. Please check it.
2. We think this file doesn't contain non-English fonts because we can open this file and see all pages by our English acrobat. Could you check this again?
If there is any pages of non-English fonts, please let me know the applicable pages.
3. The correct one is 15.209. Sorry, we entered wrongly. Could you replace original page 7 to "revise P 7"?

Thanks.

Best regards,

Yukie Koyama
