U.S.A.

**Subject: Request for withholding from public disclosure the schematic diagrams and system block diagrams pursuant to an application for certification**

Applicant: Siemens Milltronics Process Instruments Inc.  
Product: Radar Level Gauge (25 GHz)  
Model No: Sitrans LR 400  
FCC ID: NJA-LR400

Dear Sir/Madam,

We, Siemens Milltronics Process Instruments Inc., would like to request that the schematic diagrams and system block diagrams submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC rules. This request is made under the provisions of Section 0.457 of the Commission's Rules, and Section 552 (b) (4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection, materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

The detailed confidential materials are listed as follows:

| No. | Title                                                              | Drawing No. | Sheet No's. |
|-----|--------------------------------------------------------------------|-------------|-------------|
| 1   | HF Module Sitrans LR HFLR-C1 Detail drawing (schematic and layout) | 20150176    | 1, 2        |
| 2   | HF Module Sitrans LR HFLR-C1 Detail drawing (block diagram)        | 20150176    | 3           |
| 3   | Antenna specification (process connection)                         | 51208       | 1, 2, 3     |

If you have any queries, please do not hesitate to contact us.

Yours faithfully

T. J. Adam  
Certification Specialist
